

## MY SONG LIST

These are some of my favourites – but I'm always learning new music and adding to this list.

This is to give you a guide of what I might play at your wedding or event. I am very experienced at reading the crowd and playing what your guests will enjoy, but you are also welcome to let me know up to 10 of your favourites, which I will incorporate into my acoustic sets.

Please note: this is my solo song list. If you have booked duo, there will be additional songs that may be included, depending on who is singing with me.
