

MY SONG LIST

These are some of our favourites – but we're always learning new music and adding to this list.

This is to give you a guide of what we might play at your wedding or event. We are very experienced at reading the crowd and playing what we know your guests will enjoy, but you are also welcome to let us know up to 10 of your favourites, which we will do our best to incorporate into our sets.

Please note: songs marked “(Duo)” are only performed when you book the duo option. The unmarked songs may be sung by either of us if you have booked duo.
